

February 5, 2020

Dear Ananya Nuggehalli

Montbello Career & Technical High School sincerely appreciates the time and effort you have spent creating the medical section for our school web site. Your web pages and links were the perfect additions to help students find the right answers for their medical questions.

Website additions were as follows.

- Writing well-designed HTML pages
- Creating user-friendly layouts
- Gathering and refining required documentation and videos

Thank you,

A handwritten signature in black ink, appearing to read "Curtis Whitman", is written over a light blue horizontal line.
